

Beech Class Reading Journey

Autumn 2023

Sunny the meerkat goes off on his travels to find the perfect home, somewhere he feels he belongs. On his travels, he sends a post card back to his family. Ultimately, Sunny realises, the one place that is perfect for him, is HOME!

A little girl gazes up at the starry night sky, wondering about her place in the world. Her granddad tells her a story - story of how the universe began, and of how everything is connected: we are all made of stardust.

'My Christmas Star' is a BBC advert which depicts a young girl who overcomes her nerves to perform at a Christmas talent show. Based around self belief and a focus on emotions, this links with 'Stardust' where we are all stars.

The Great Fire of London is, to this day, one of the most tragic events to scar the city. This is an originally retelling of the events during 1666. This book brings fiction and historical facts together.
