

# Sycamore Class Reading Journey

Summer Term 2024

Henry discovers his unusual taste by mistake one day, and is soon swept up in his new-found passion. And better still, he realises that the more books he eats, the smarter he gets. But a book-eating diet isn't the healthiest of habits as he finds out. A surprise bite shaped die-cut is included on the last page!

Fred, Con, Lila and little Max's plane is on the way to Manaus when it falls out of the sky. Now, lost in the Amazon rainforest, they must figure out the basics of survival: water, shelter, food. Do they wait for rescue, or find a way to rescue themselves?

As they get bolder and explore further afield, they see more traces of another human inhabitant, too – and then they find the map. Who was here before and where will the map take them?

This book is a witty collection of poems about school and is full of typical classroom events that will be recognised and enjoyed by everyone: the candid revelations in a pupil's news-book, the problem of copycats, bickering, making up, and picking teams in PE!

How can mankind stop the dreadful destruction caused by the Iron Man? He cannot be kept down. But when the Space-Bat-Angel-Dragon, a terrible monster from outer space, tries to lay waste to the planet, it is the Iron Man who helps to save the world... Fusing rich elements from myth, science fiction and fantasy with a compelling message about the power of peace.
