Children are rooted at the heart of our family school community, where all are nurtured on their journey, nourished with faith and trust. Our exceptional setting inspires learners to explore, discover and be resilient while flourishing on their own path as world citizens. Journeying together with love and trust

Resilience, Respect, Responsible.

Dear Parents,

Many thanks for all baring with us on Monday! Thanks to those of you that managed to do home learning to keep on top of the subjects as well-even a little helps when incidents like that happen! So thank you :)

Last Friday we were very lucky to have a visitor come and see our classes and talk about life in Mongolia. The children all asked lots of questions and found out quite a few key facts including the fact that the children didn't have running water, the children have to go to work at a young age, even in the snow they hang their clothes outside, they have to use a well to get their water. The children have to clean school every Friday at the end of school! As part of this visit children were asked if they would like to write letters to children in Mongolia and KS2 have started writing their letters this week! KS1 have drawn the most wonderful pictures to send to them.

Trim Trail- the company have been in and fixed the posts and stayed on site until they were sure that they were set before they left them. Hopefully it will pass the safety inspection next week and then we will be able to use it! However, until I give the go ahead, please do not use it.

A big thanks to a core group of parental volunteers that came in this week to make a start on sorting out the library books! If anyone has any
